Strategy

Complete King Rollover Lanes, then make Royal Flush drops in order.

Spinner - Lights for 1k/spin once you've complete King Lanes twice (reached 3x Royal Flush value).

Royal Flush - Make drop targets in sequence (10-J-Q-K-A) to score 100k (if done without error).

Note: Shooting targets out of order will cause the drop to pop back up and decrease the value of the Royal Flush (100k, 80k, 60k, 40k, 20k). To increase the value shoot the **Ace of Spades Saucer** (red arrow will be lit).

Left Inlane - Spots one King Lane

King Rollover Lanes: +1 Royal Flush X
Completing King Lanes awards +1x Royal Flush value (2x, 3x, 4x). Progress is carried over ball-to-ball (operator setting). Complete King Lanes before shooting drop targets.

Lit Joker Targets - Adv Bonus X

Royal Flush Multipliers (how many times you've completed King Lanes)

How to build Bonus
- King Lane +1
- Any Ace Saucer +3
