Strategy

- Multiball
- World Cup Final MB

Goal

- JP during Multiball
- Scoring lit Goal at any time starts an 'Ultra Round' (a mode which awards points at end of ball)
- You light the Goal by making all 4 rollover buttons in center of PF
- Every 2 Goals made during normal gameplay increases JP value during MB

Spinner / Travel / World Cup Final

- Light Travel on Left Orbit by shooting Ramps when lit for 'Buy Ticket' and completing top two rollover lanes.
- Shoot Spinner to Travel to next city. Visit all cities to light World Cup Final MB and shoot Final Draw Scoop to start.

Multiball

- Shoot Ramps, Orbits and Striker Scoop when lit with white 'Build' insert to make progress toward MB
- Light all 5 inserts on soccer ball then shoot either ramp to lock ball.
- With ball locked, plunge next ball and shoot Final Draw Scoop.
- Plunge 3rd ball to start 3-ball MB. In MB - shoot Goal for JP then either Ramp to relight JP

Top Rollover Lanes

Shoot Left Orbit to access top lanes

Striker Scoop

Final Draw Scoop / Mystery

Starts Multiball and World Cup Final

Skill Shot

Plunge so that ball enters each of the 3 slots (indicated by yellow bulbs). Doing so over the course of your game will advance you to the next city.
